FROM: AFOOP-OC-R SECURITY INFORMATION

British Joint Services Mission in Washington has advised this Headquarters of requirement for periodic K-30 photography of Chinese territory to depth of fifteen (15) miles vicinity Hong Kong. (British have been advised FEAF capable of undertaking this operation utilizing RB-29 aircraft.) Suggestion was made that requirement be made known to you by British Defense Coordinating Committee, Far East. Desire you cooperate with British to undertake accomplishment of required photography upon receipt of request provided CINCFE approves and the operation is coordinated with CINCPAC. Frequency of coverage should be commensurate with your capability and accomplished in conjunction with your K-30 requirements. Flights will approach no closer than twenty(20) miles to Chinese territory. Film and prints may be furnished British as requested. Furnish this Headquarters, ATTN: Recon Branch, Director of Intelligence, duplicate film, prints and rough plot maps.
